

Sinclair
Broadcasting, in an
attempt to effect
changes in votes for
the presidential
campaign is airing a
partisan program
this week.

As a citizen, and
licensed broadcaster
myself (KE6QBZ), I
believe that the
abuse of the
airwaves being
committed at some 40
broadcast stations
is a violation of
FCC regulations.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. But when
large companies
control the
airwaves, we get
more of what's good
for the bottom line
and less of what we
need for our
democracy. Instead
of something
produced at "News
Central" far away,
it's more important
that we see real
people from our own
communities and more
substantive news
about issues that
matter.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard.

I ask that you
immediately take
action against
Sinclair
Broadcasting and
remove their license
for use of public
airwaves if they go
forth with this

partisan propaganda.

Thank you.
